

AKSHAY DANDWATE

Nashik 422009

📞 9158559339 ✉ dandwateakshay77@gmail.com 🔗 LinkedIn 🌐 Portfolio

Objective

Motivated Full Stack Developer skilled in Java, Spring Boot, ReactJS, and MySQL. Experienced in building scalable web apps through internships and live projects. Seeking to contribute in a growth-driven IT team with a focus on backend development and performance optimization.

Education

Guru Gobind singh College Of Engineering And Research Centre.

Bachelor of Engineering – Computer Engineering

Nashik

Dec 2020 – Jun 2024

Technical Skills

Programming: Java, Spring Boot, C, C++

Web Technologies: HTML5, CSS, Bootstrap, JavaScript, ReactJS

Databases: MySQL

Technologies/Tools: GitHub, Docker, AWS, Software Testing, Jira, Eclipse

Hardware Networking: Computer Hardware, Troubleshooting, Networking Basics (CCNA), Network Configuration, Routing Switching

Experience

Paarsh Infotech Pvt.Ltd Nashik

Feb 2023 – Mar 2023

Web Developer Intern

Nashik

- Developed a comprehensive Dental Hospital Management System using JavaScript, Bootstrap, HTML, CSS, and Tailwind to enhance user experience and streamline hospital operations. Implemented responsive web pages with Tailwind CSS and Bootstrap, ensuring compatibility across devices and improved performance.
- Designed and integrated real-time features like patient registration, appointment scheduling, and billing, improving overall system efficiency.

OctaNet Software Services

Oct 2023 – Dec 2023

Full Stack Web Developer Intern

Odisha

- Developed and maintained both front-end and back-end components of web applications using Java and JavaScript, enhancing functionality and ensuring seamless user interaction. Designed responsive user interfaces with HTML, CSS, and JavaScript, while integrating them with Java-based back-end services to ensure a smooth user experience.
- Optimized and debugged existing code, improving performance and resolving issues to enhance application efficiency and meet client requirements.

Projects

1.Gym Managment System for Leo fitness | ASP.NET, Selenium, MySql

April 2024

- Developed a Gym Management for Leo Fitness using ASP.NET to streamline member registration, scheduling, and billing processes. Integrated front-end and back-end functionalities to provide an intuitive user interface and efficient data management for gym operations. Automated gym booking system and member management features, improving overall efficiency and user satisfaction.

2.Dental Hospital Web Appliction (Sai Hospital) | ReactJs, Html5, CSS, Javascript ,MySql

March 2023

- Developed user-friendly UI and backend logic for patient registration, appointments, and billing using ReactJS and MySQL.

3.Online Student Attendance Management System | PHP, HTML, CSS, JavaScript, Mysql

April 2022

- Developed an Online Student Attendance Management System using PHP, HTML, CSS, JavaScript, and MySQL to automate and simplify the attendance tracking process. Implemented features for real-time attendance marking, reporting, and data visualization to enhance administrative efficiency. Integrated MySQL database for secure data storage and retrieval, enabling easy access to attendance records and analytics.

Certifications

- Java full stack development And Software Testings. (TechnoSignia)
- Cybersecurity Analyst Job Simulation. (Tata Group)
- AWS Academy Machine Learning Foundations / Cloud Architecting / Cloud foundation. (AWS Academy Graduate)
- CCNA: Introduction to Networks. (Cisco)

Interests

- Cybersecurity and Ethical Hacking
- Web Development and UI/UX Design
- Participating in Coding Competitions
- Hardware Networking
- Playing Chess and Problem-Solving Games
